DEDICATION

A milestone in time was marked by 254 of Northeastern's family at commencement exercises in June of 1974. For 253 it signified completion of 12 years of education and a time to face a new future, but for one, it signified completion of 35 years of loyal dedicated service to Northeastern.

Mrs. Gwenzilla Runyan, retiring after 35 years of service, has taught a variety of subjects with special emphasis in English, Speech, and Latin. Mrs. Runyan's most recent assignment was as head of our library and resource center.

Demonstrating her willingness to benefit young people, Mrs. Runyan has helped many students not only in the classroom but also on a personal level. She served as advisor for the speech club, wrestling cheerleaders, library, and reading clubs. Mrs. Runyan is quite proud of her honorary membership in the National Honor Society at Northeastern.

As we observe Northeastern's 20th anniversary, we salute the only remaining member of the original faculty to serve our school. We proudly dedicate the 1974 Pilot to Mrs. Gwenzilla Runyan and wish her happiness in her retirement.

Homecoming

Northeastern's 1973 Homecoming Festivities were highlighted by the Twentieth Anniversary which brought back not only memories of the fifties and sixties, but also several of the previous Homecoming Queens.

Everyone was in the fifties mood Homecoming day and consequently dressed as teenie-boppers from that era. Best dressed "Betty Lou" and "Teen Angel" costumes were selected during the pep assembly that day and chosen for the girls were Julie Coverdale and Dee Dee Paugh.

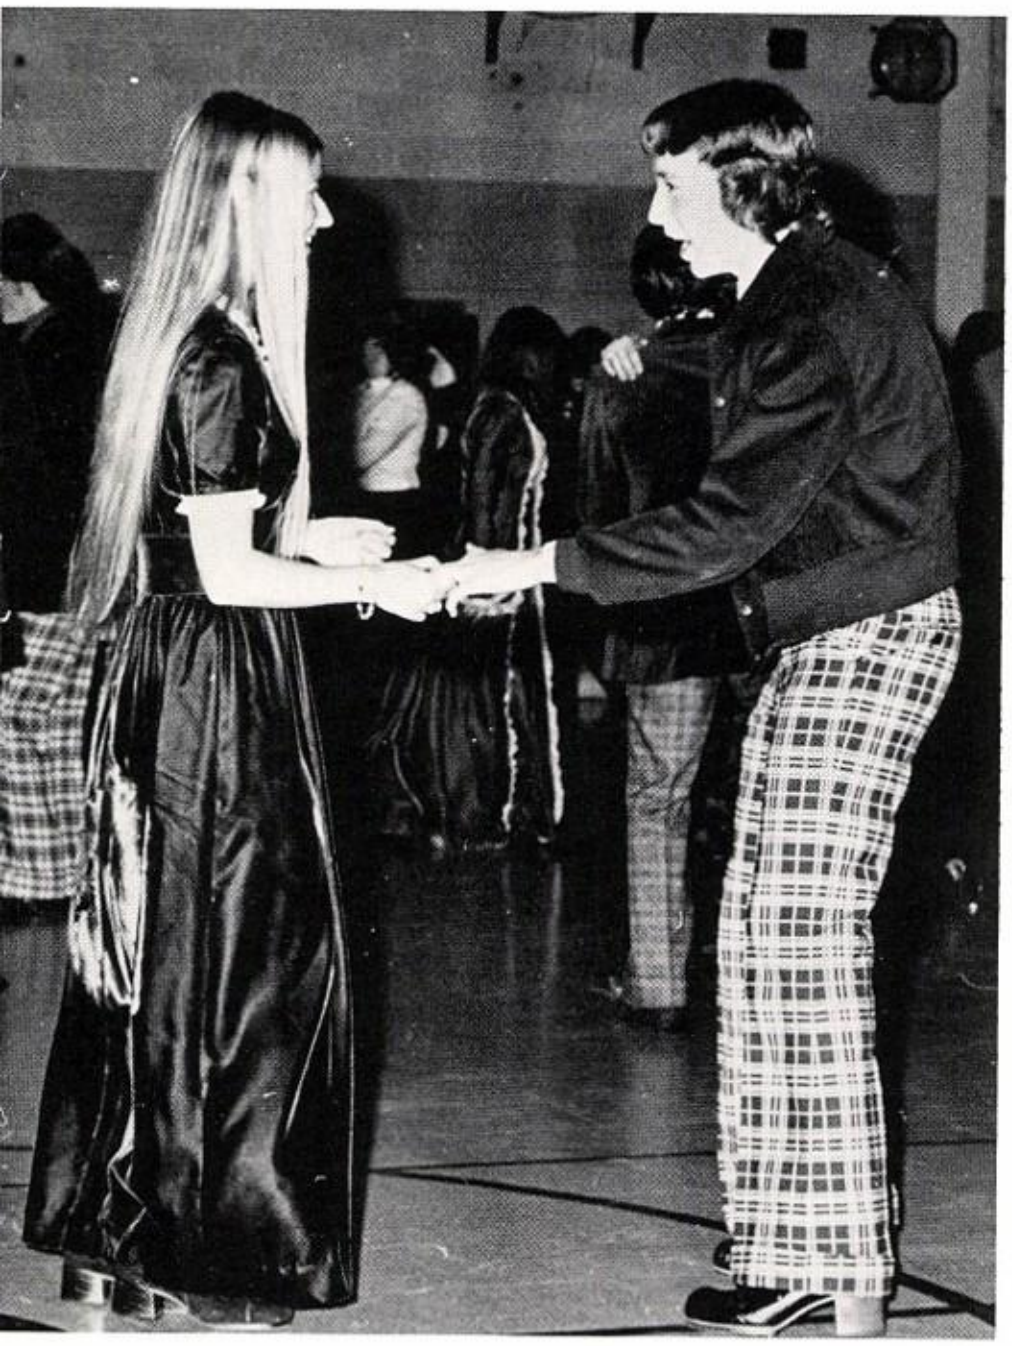
The Christmas Dance

Taking time off from toys and reindeer, ole St. Nick visited Northeastern early one evening bringing lots of joy and fun. Music filled the air from the band group "Smokey Row" and the Christmas Dance was enjoyed by everyone. Even Santa Claus, which looked a lot like our own *"Lovable Louie,"* had a wonderful time.



Navy Steel Band

Northeastern was host to a popular assembly presented by the United States Navy Steel Band. They presented the different sounds that come from large and small oil barrels, which are hand crafted and carefully tuned. The enlightened segment of the show was when they played the ever popular song "Frankenstein."

Meeting on Tuesday nights approximately once a month, the French Club planned activities such as a "Mardi Gras" Party, French Honor Society Induction, a banquet, and a money-making project of selling perfume.

The most memorable event that occurred was when seventeen members and Mr. Burt went on an excursion to Quebec over the Easter vacation. At the close of the year, memorable parting gifts to Seniors were Bibles written in French.

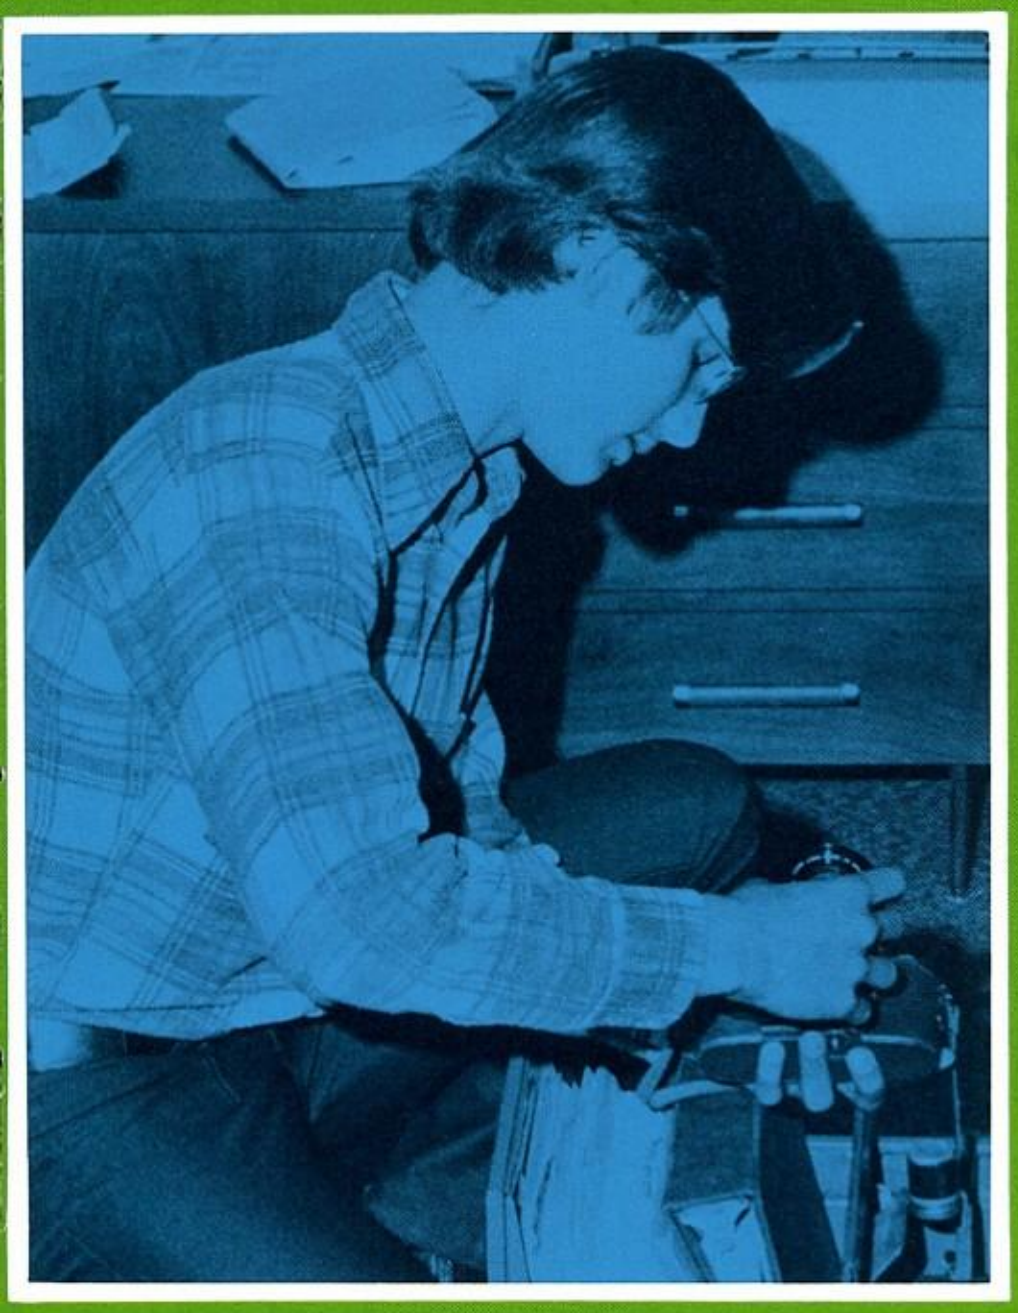
Editors



The Annual Staff worked very hard to put together this 1974 Pilot. Staff members sold ads and annuals at the beginning of the school year to finance the Pilot. Outstanding salesmen, then enjoyed a dinner at Yannucci's Restaurant.

The editors spent many hours of their free time to provide the Pilot with its various sections. It is their hope that all who read this volume will be reminded of the many pleasant years spent at Northeastern.

"LOVE"

The musical program "Love" was presented at Northeastern and later at other locations. This group of students was under the directional help of Albert Abrams and the student director was Kyle McGraw. Many hours of evening practices helped this singing group perform to perfection.

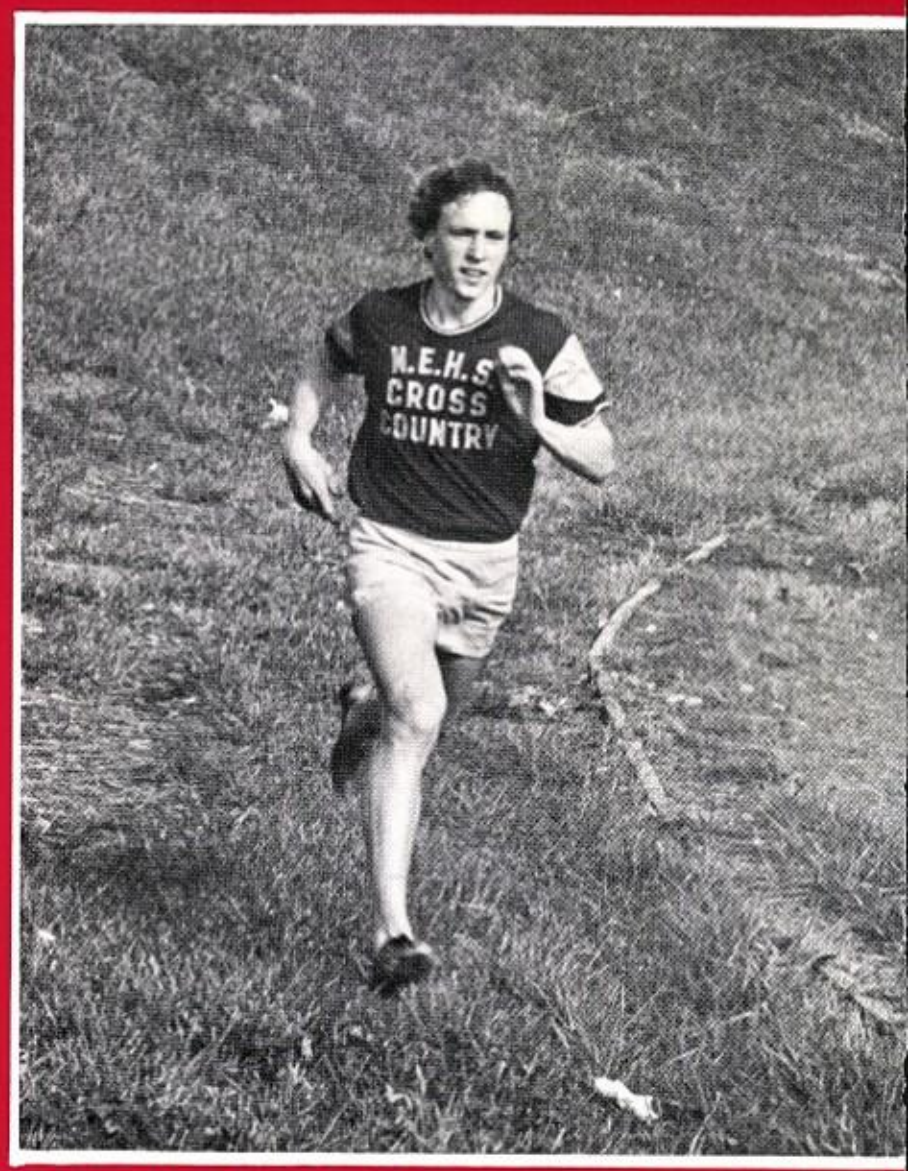
The Senior runners speak out about the season:

Bob Crabtree: "Best season that Northeastern has ever had. Probably the best point was that coach Layfield let the team work out their own schedules. The team combined ran over 500 miles this season and 4 teammates achieved personal goals, including the great upset over Springfield South."

Mike Austin: "I feel it was a privilege to be a part of Northeastern's Cross Country Team. With a small team like Northeastern's, you realize the greatness and importance of team togetherness and with Coach Layfield you begin to understand how a good relationship between coach and athlete is."

Howard Wingert: "Of the three years that I participated in Cross Country, I feel that this year has been the most successful, not only by the team's record but also through the many experiences that the team encountered.



Senior Bob Crabtree set a new school record with the time of 9:56.4 running a 2—mile course.

The season started out fairly well for the Jets only losing the first game by 4 points and winning the next league game against Greenon, who the Jets beat twice in their disappointing 4 wins.

New head coach Carl Barns and his squad were in a reorganized MRVL this year with Greenon, Park Hills, Tecumseh and Shawnee playing each team twice. With six starting seniors graduating, there will be many reserve players comin to the varsity for the new Centra Buckeye league next year.

The Junior Varsity Basketball team compiled a record of 5 wins and 13 losses.

Easy victories were won by the Junior Varsity's opponents during the first half of the season but the second half of the season found the Junior Jets playing inspiring and exciting basketball.

Coach Thompson felt that the season was not unsuccessful but rewarding and satisfying, because the Junior Varsity team was a fine group of young men to have coached and been associated with.

The 1974 track season witnessed records broken in the 880 yd. run and the 2 mile run. New school, county and Conover Field records fell to the powers of Bob Crabtree and Howard Wingert during the season. Hard work and a desire to excel are the ingredients that result in success for the track competitors. The Jet track team possesed these qualities during 1974 and will carry these traits into the new league next season.

The Arts

Northeastern's Art students have been very active this year in producing several group projects. The Christmas Puppet Show, which the students performed at New Moorefield, Catawba, and South Vienna, is just one of their successful productions this year. The students also visited South Vienna, where they taught the children how to make butterflies. The highlight of the year, however, was the Spring Arts Festival, where the students displayed all of their best artwork.

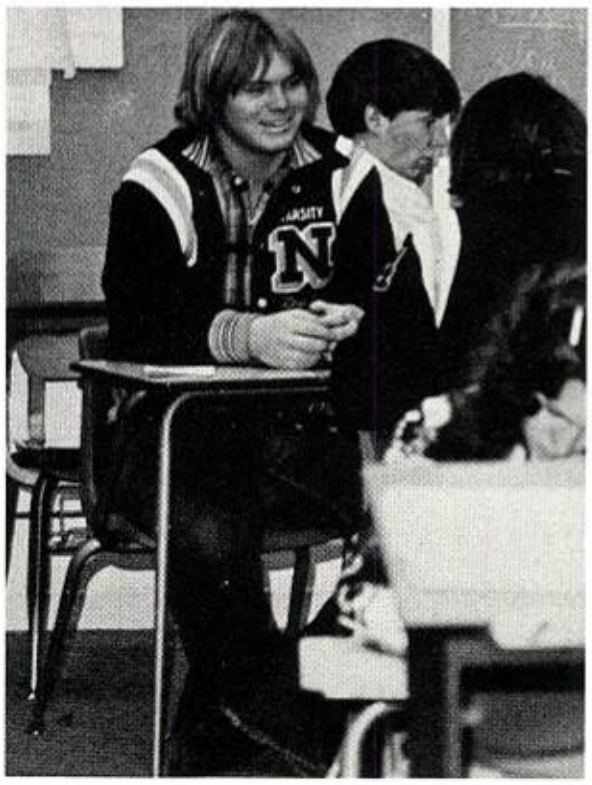
STATE IMMUNIZATION REQUIREMENTS

IT IS NOW STATE LAW THAT ALL PUPILS ENROLLED IN ANY GRADE IN ANY PUBLIC SCHOOL IN OHIO BE IMMUNIZED AGAINST THE FOLLOWING:

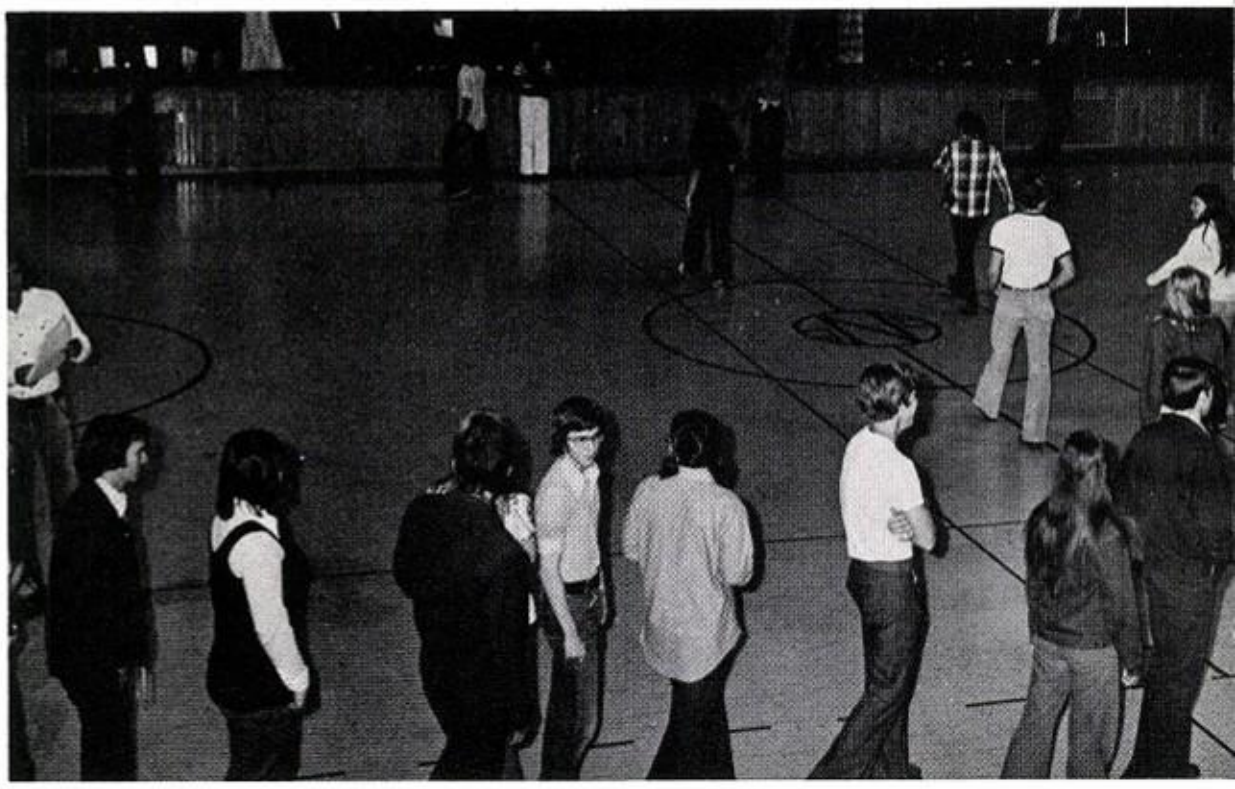
To think that our long years of school began with such a simple piece of paper, a kindergarten registration sheet,

and was ending as we took our last test

Finally, the long awaited, but by some dreaded, last day of school came when we seniors turned in our books and said good-bys to teachers who we'll secretly miss.



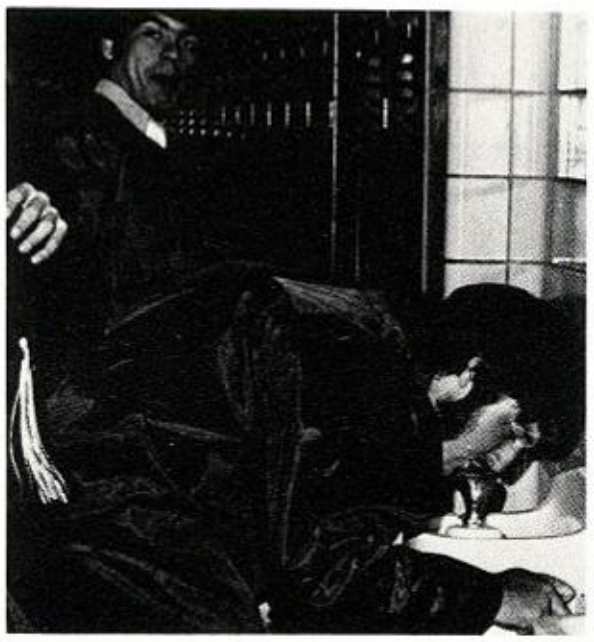
With a few mix-ups and a bit of goofing around, Commencement practice ran rather well.



"This is it" is in the minds of the graduating seniors as they enter Northeastern and go to their assigned rooms to prepare for their entrance.

The Senior Class of Northeastern High School announces its Commencement Exercises, Sunday afternoon, June second, nineteen hundred seventy-four, two o' clock, Northeastern High School Conover Field.

In the rooms, friends help one another adjust caps and put on gowns,



each nervously talking and wishing all good luck.

Finally, the senior class assembles into two lines and anxiously awaits the signal to proceed.

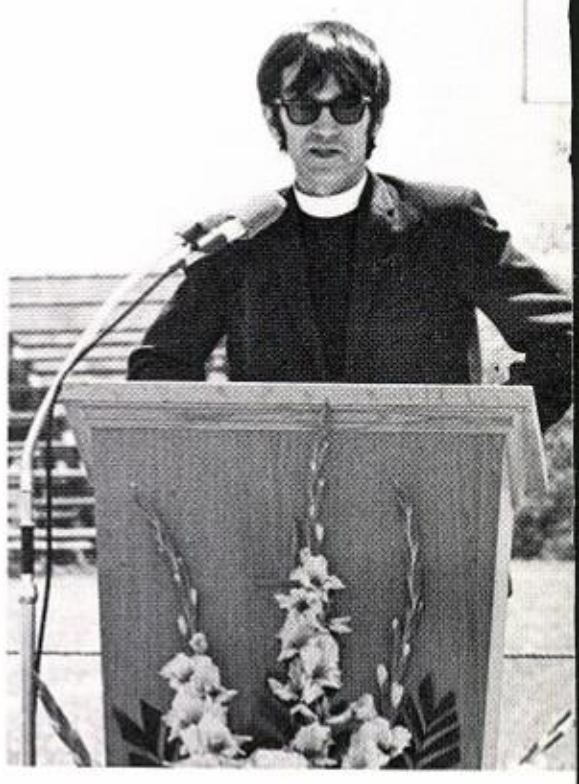
The word comes and the lines slowly file onto the field, relatives and friends beaming as their graduate passes.

The band, under the direction of Mr. Louis Driever and Mr. Robert Gray, plays the traditional *"Pomp and Circumstance"* until the Class of '74 reaches their seats.

The Reverend Brian Wood of the Catawba-Nation Chapel United Methodist Church gives the Invocation.

Mr. Carl R. Frazier, Assistant Superintendent of Northeastern Schools, introduces the members of the school board

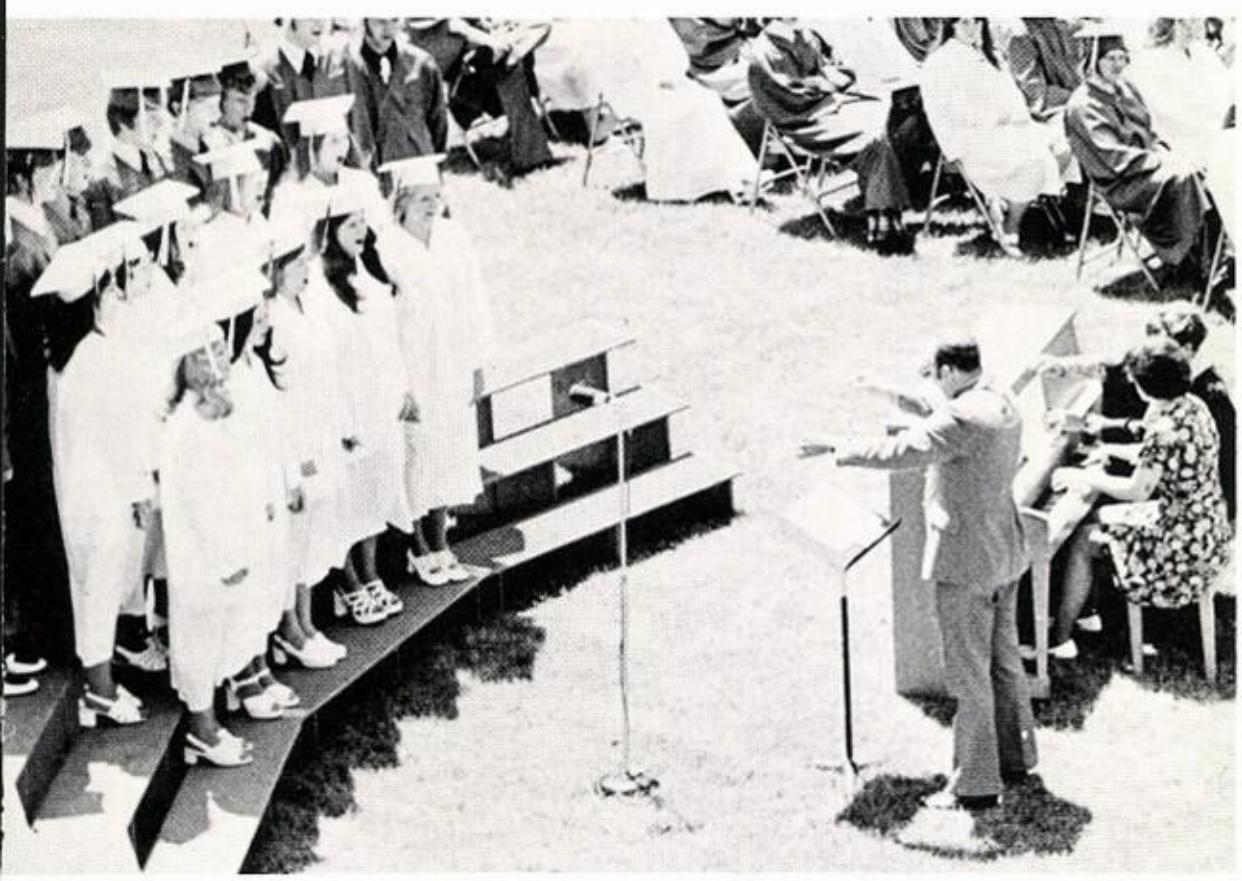
Under the direction of Mr. Albert Abrams, the senior members of the choir sing *"I May Never Pass This Way Again."*



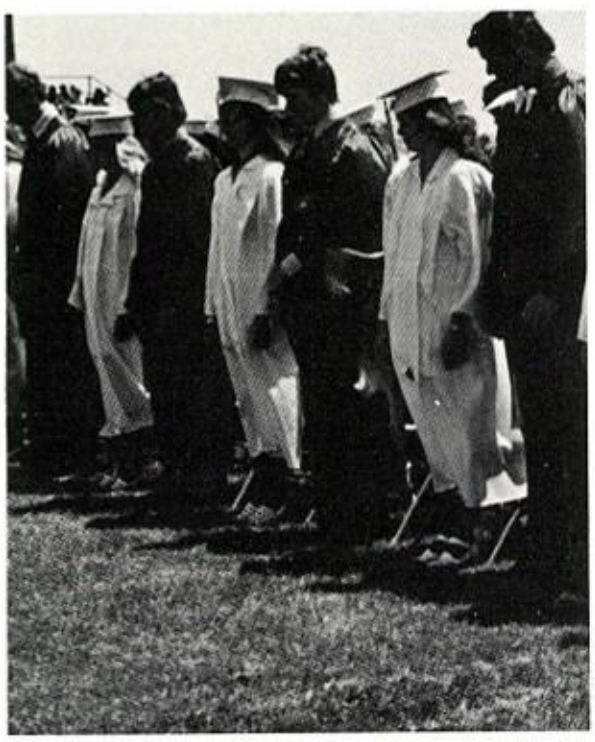
In his meditation on *"Changing Allegiances,"* Rev. Wood spoke meaningfu words to the seniors.

Mr. Charles E. Price presents the great **CLASS OF '74!**

Mr. Charles W. Stephens, Superintendent, and Mr. William C. Runyan, President of the Board of Education, presents diplomas to the 244 graduating seniors.

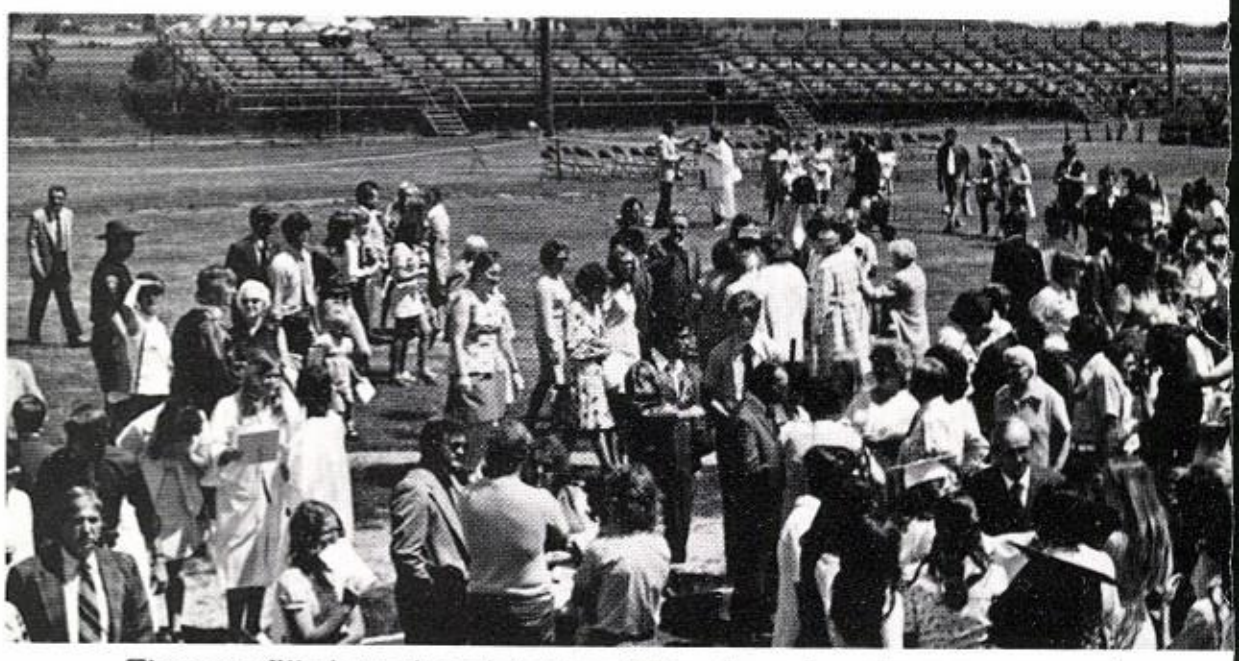


Together for the last time, the entire choir sings *"You'll Never Walk Alone."*

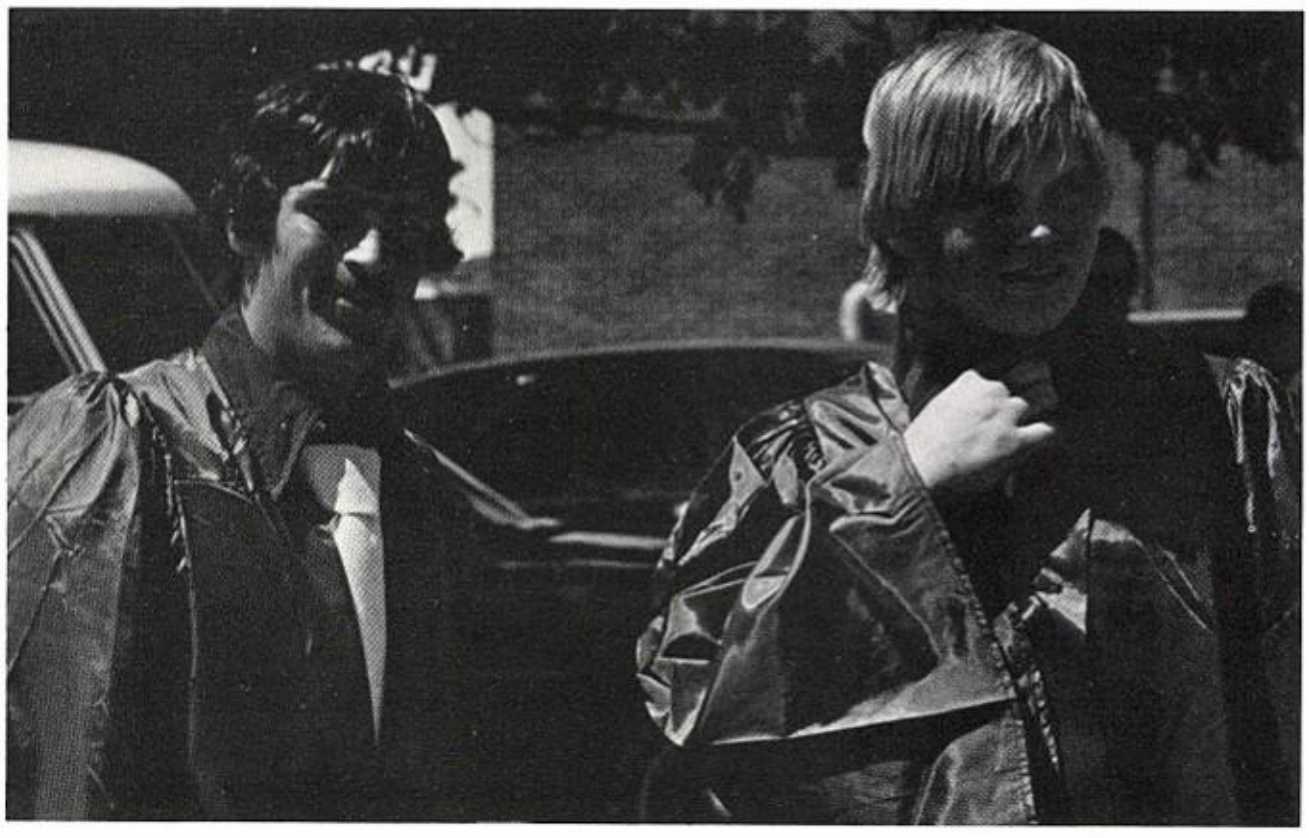


As all stand, Rev. Wood gives the Benediction.

While the band plays the recessional, the graduated CLASS OF '74 leaves the field and is congratulated by relatives and friends.



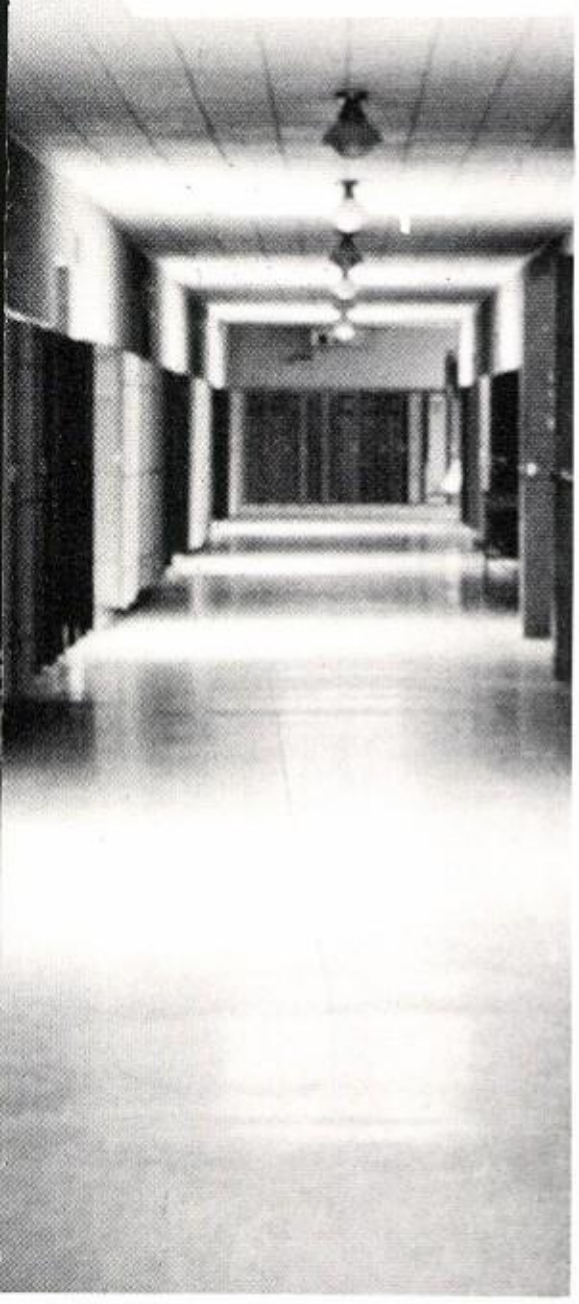
The once-filled stands and chairs quickly clear when the ceremony ends.



Small groups of the newly graduated seniors . . .
talk and make plans for parties before the leave for college in the fall.

most of the excitement diminished and with celebrations to attend in homes . . .

everyone says his farewells to friends and to the school itself and leaves.



In these empty halls, once filled with noisy classes, lasting friendships were made. The members of the CLASS OF '74 had spent four years together in the school, years of fun and work, successes and failures, good times and bad . . .

Clark County
This Certifies That
Cynthia Ann Shaw
Has completed the graduation requirements as prescribed by the
Board of Education and is therefore presented this
Diploma

but all the memories of the moments shared by the students will be treasured throughout their lives.

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.
